In accordance with 37 C.F.R. §1.48(b), it is respectfully
requested that the inventorship be corrected by deleting Nigel G.
Mills as an inventor, because he was an inventor only as to the
subject matter of claims 23 - 26, which have been cancelled as a
result of an election in response to a requirement for restric-
tion. This inventor's invention is no longer being claimed in the
above-identified application. A check in payment of the process-
ing fee of \$130 due under 37 C.F.R. §1.17(i) is being submitted
herewith.
